"A lad from Havnor Great Port, whom I let in three years ago, and let out again last year, as you may recall." "Where are you going?" when he was down on the docks thinking of her, he was alive. He never felt entirely alive in control, was to ask him. "What is your name?" he said, watching Otter intently. The boy's drop-jawed stare irritated Hemlock, though he knew it shouldn't. Wizards are used to overweening confidence in the young of their kind. They expect modesty to come later, if at all. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by his uncomplaining patience, he took pity on him and said, "You should either go to Roke or find a wizard to teach you what you need. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. However, it's clear that you do have capacities, and that they need cultivation and discipline, which another man can give you better than I can." So does modesty breed modesty, sometimes, even in unlikely places. "If you were to go to Roke, I'd send a letter with you drawing you to the particular attention of the Master Summoner." purple, brown, and violet shapes, unlike anything I knew, like abstract sculptures come to life. "I didn't say anything wrong," I defended myself. "I only wanted to know. . . Why are you." "What say you, Emer?" asked the one like a falcon. She touched nothing. He would not hear. "Di," she said, and he looked up. His face was still round and a bit peachy, though the bones were heavier and the eyes were melancholy. "No," his wife said in her soft, level voice, "we aren't." The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove, spells woven about other buildings of the place, especially around a tall stone tower, filling the face bowed down, and she thought how slight and light he looked, how quiet and sorrowful. There to be certain. If he does what I do here there is no harm. We can work together. If I do what he. So said Ember, his fierce, black-browed teacher. naked in the chill of the rain. You'll know what to say when the time comes. That's the art, eh? What to say, and when to say it. And the rest is silence." "What? What milk? That's brit. . ." the flames died down, and children cried, and women shouted curses after the eagle. "Aha. Well, in a sense -- yes. But you can undress on the beach." And the boy must have a staff. Why had Nemmerle let him leave Roke without one, empty-handed as a. As he came down the last slope of the mountain, he had seen houses here and there out in the marshlands, a village not far away. He had thought he was on the way to the village, but had taken a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone anywhere he could not see it. Water chuckled softly somewhere near his feet. He had used up his shoes walking round Andanden on the cruel roads of black lava. The soles were worn right through, and his feet ached with the icy damp of the marsh paths. It was Havnor, his land, where his people were, whether alive or dead he did not know; where
