She met him at the door..On the island of Ark, and in Orrimy on Hosk, and down among the Ninety Isles, there are tales about a man who came seeking for a land where people remembered the justice of the kings and the honor of wizards, and he called that land Morred's Isle. There's no knowing if these stories are about Medra, since he went under many names, seldom if ever calling himself Otter any more. Gelluk's fall had not brought Losen down. The pirate king had other wizards in his pay, among them a man called Early, who would have liked to find the young upstart who defeated his master Gelluk. And Early had a good chance of tracing him. Losen's power stretched all across Havnor and the north of the Inmost Sea, growing with the years; and the Hound's nose was as keen as ever..her back. Listening is a rare gift, and men will have their heroes..Though like any power they could be perverted to evil use in the service of ambition (as was the Terrenon Stone in Osskil), the Old Powers were inherently sacral and pre-ethical. During and after the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they were in the Kargad Lands by the cults of the Priestkings and the Godkings. So by the eighth century, in the Inner Lands of the Archipelago, only village women kept up rituals and offerings at the old sites. They were despised or abused for doing so. Wizards kept clear of such places. On Roke, itself the center of the Old Powers in all Earthsea, the profoundest manifestations of those powers-Roke Knoll and the Immanent Grove-were never spoken of as such. Only the Patterners, who lived all their lives in the Grove, served to link human arts and acts to the older sacredness of the earth, reminding the wizards and mages that their power was not theirs, but lent to them..misery, she leaped out of bed and opened the shutters..imagined and found startling, unwelcome, even painful, altering all her beliefs..his own wits, which seldom let him down if he was given a fair chance to use them. When he was a little boy, Golden himself had been able to make his own shadow shine and sparkle. His family had praised him for the trick and made him show it off to visitors; and then when he was seven or eight he had lost the hang of it and never could do it again..Hemlock dismissed that with a flick of his hand. "I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth..". "I was told there's a murrain among the cattle here." Now that he wasn't all locked up with cold his voice was beautiful. He talked like the tale-tellers when they spoke the parts of the heroes and the dragonlords. Maybe he was a teller or a singer?
