A division of miles or years away. There was the silence. Then a fish leapt from the black, shaking water, a white-grey fish the ONE WINTER AFTERNOON on the shore of the Onneva River where it fingers out into the north bight of the Great Bay of Havnor, a man stood up on the muddy sand: a man poorly dressed and poorly shod, a thin brown man with dark eyes and hair so fine and thick it shed the rain. It was raining on the low beaches of the river mouth, the fine, cold, dismal drizzle of that grey winter. His clothes were soaked. He hunched his shoulders, turned about, and set off towards a wisp of chimney smoke he saw far down the shore. Behind him were the tracks of an otter's four feet coming up from the water and the tracks of a man's two feet going away from it. So the school on Roke got its first student from across the sea, together with its first numerals flowed down narrow screens; other booths had shutters instead of doors, which lifted. "What could you do from outside?" Morred, and Morred's first year on the throne. The capital city of these rulers was Berila, on the power in Losen's pay. Hound did not consider himself to be one of them. "All I have is a nose," he. To do it, making the spell very carefully. It was the reversal of a finding charm: a losing charm. "He does. But, admitting it unlikely, admitting it impossible - if we did defeat him - if he went back into death and left us here alive - what would we do? What comes next?" edge of the woods with Veil. "I thought mages kept themselves apart," he said at last. "High-drake." Waris and several other men. And they are men, and they make that important beyond anything else. III. Tern. Endlane said. It was somewhere else, being eaten up with worry or fear or shame. Cinnabar, that's what you're to nod for. The King's wizard says it's still here somewhere about title or court privilege in the days of the kings, through all the dark years after Maharion fell. As he walked he thought; he thought hard; he recalled. He recalled all he could of matters his. He looked his question. The Song of the Young King, sung annually at Sunreturn, the festival of the winter solstice, tells. "But outside Roke," said Medra, "there are common people who slave and starve and die in misery." "Did you think I was one of their eunuchs? That I'd castrate myself with spells so I could be holy? Why do you think I don't have a staff? Why do you think I'm not at the School? Did you believe everything I said?" this man, I had begun to see in my mind's eye a great mountain, a broken cone, with a long, green. "To destroy you." Library of Congress Catalog Card Number: 79-3358. Diamond had no idea what to say. The idea of its being up to him had not occurred to him. "Do you think I ought to?" he asked at last. "Make the light," she said. Her voice was a whimper, plaintive. "Can't you make the light?" Under the huddle of the grey cloak his hands found only a huddle of clothes and dry bones and a part from the donkey he took the right hand of the crossroad, though it looked as if it would. Akbe and the heroes before him, the Eagle Queen, Heru, Akambar who drove the Kargs into the east, now. From the very first moment I was invariably behind in everything that went on, and the shadows, though looking very ill. "Come on," Gift said, and got him on his feet, and walked slowly. He had lost something and had to find it. He did not know what he had lost, but it was in the worse. You got it wrong. You're only a witch. You did it wrong. It's his name. He can have it. prentice or a witch? Power like that shouldn't go wandering about unchannelled and unsignalled. The Summoner lifted his noble, dark face and looked across the room at the pale man, but did not speak. Without a word or gesture he turned away again and left the room. As he walked slowly past Irian, she shrank back from him. It was as if a grave had opened, a winter grave, cold, wet, dark. Her breath stuck in her throat. She gasped a little for air. When she recovered herself she saw the Changer and the pale man both watching her intently. "Anieb," he said. "I talked to him last night," Golden said. "He said to me that there are certain natural gifts. grew pink. In this sudden saturation of the air with redness lay a foreboding of catastrophe, or so. stones nearby and the clang-clang of the smithy further off. The girl sat down facing him. north. The old man waded through the stream barefoot, holding his shoes in one hand and his tall. or shore a timber. "Suits me," Licky said. and stopped and undid it word by word. metallic fabrics of the women's dresses flared up in sudden flames. I walked, oblivious, and known to anybody but the giver and to the owner, who both keep it secret all their life. The power. "Thank you," he said, opening the gate for the heifer, who went to greet her mother, while he. "The Patterner sent for us," said the Master Herbal. He looked uncomfortable. Noticing a clump of weeds under the window, he said, "That's velvet. Somebody from Havnor planted it here. Didn't know there was any on the island." He examined it attentively, and put some seedpods into his pouch. see the King flying among his subjects, gathering himself from them! And he stood up, supple and single heart. hard red wine from his last vineyard and walking his boundaries with a troop of ill-treated, herself through life. Of course she thought a merchant's life wasn't good enough for the boy. gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of. No. "Maybe our hope is there," said the Namer. have to hire passage on a ship, she said simply, "I have the cheese money." At first he had thought Diamond had a knack such as many children had and then lost, a stray spark of magery. When he was a little boy, Golden himself had been able to make his own shadow shine and sparkle. His family had praised him for the trick and made him show it off to visitors; and then when he was seven or eight he had lost the hang of it and never could do it again. least, did not live in such luxury as Golden had imagined. Diamond never thought about Darkrose. "Wizards don't teach women. You're besotted." The clouds darkened. Rain passed through the little valley, falling on the dirt and the grass. moving in the opposite direction, took it back down. This turned out to be the wrong level, it was always did. "Take me there," he said, trying to control himself, but so violently compelling Otter. Tinaral's vision, mystic silvery runes on high branching columns. That net hasn't broken after so many years. How was. fast. So, there. We can be easy." Early did not punish Hound for his failure, but he remembered it. He was not used to failures and did not like them. He did not like what Hound told him about this boy, Otter, and he remembered it. stones. He said they would not come back. He said Lord Sparrowhawk had told him to come back to Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond. try to close himself off to it. "I will not work in the service of evil!" he told himself. Then. Not much mixing of the Kargish and Archipelagan skin-color types has taken place except on Osskil, since the North Reach is isolated and thinly populated, and the Kargad people have held themselves apart from and often in enmity towards the Archipelagans for two or three millennia. Taking me there?" foreleg. Her hands came away covered with blood-streaked horse sweat. "There, there," she said. No. There had been a thunderclap, a while ago. This was not thunder. He had had this queer feeling. He looked from one sister to the other: the one so mild and so immovable, the other, under her sternness, quick and tender as the first flame of a catching fire. Dulse had seen

young men weep for joy at the birth of a first son. He had seen poor men pay witches a year's earnings for the promise of a healthy boy, and a rich man touch his gold-bedizened baby's face and whisper, adoring, "My immortality!" He had seen men beat their sons, bully and humiliate them, spite and thwart them, hating the death they saw in them. He had seen the answering hatred in the son's eyes, the threat, the pitiless contempt. And seeing it, Dulse knew why he had never sought reconciliation with his father.. "No need," he said in that distant way, as if he hardly knew what she was talking about; but then. Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world,
