"Of course it was Moises who did the actual driving; Nolan couldn't even chew them out properly because they were too damned dumb to understand plain English. Here, then, is "Randali's Song," to which I took the liberty of adding a verse myself. "No!" Her vehemence startled me. She quickly lowered her voice and went on: "My friends call me Amanda," away from him in the middle of a long, unavoidable yawn. His jaw muscles stretched, but he controlled it. the arm of the couch like a little gnome and smiled. It ran its fingers down the side of Detweiler's cheek. "We have been studying this problem for some time now, and we believe there is a solution. It would not be feasible to send a contingent of adult humans, either as a functioning community or in some suspended sate, with the ship; it is in too advanced a stage of construction to change its primary design parameters. But then, why send adult humans at all?" He spread his arms appealingly. "After all, the objective is simply to establish an extension of our race where it would be safe from any calamity that might befall us here, and such a location would be found only at the end of the voyage.
