FOR JUNIOR CAIN, the Year of the Horse (1966) and the Year of the Sheep (1967) offered

many opportunities for personal growth and self-improvement. Even if by Christmas Eve, '67, Junior would not be able to take a dry walk in the rain, this nevertheless was a period of great achievement and much pleasure for him..Everyone confronted Agnes with expressions of puzzlement and expectation, and she looked from one to another. Paul. Maria. Francesca. Bonita. Grace. Edom. Jacob. Finally Celestina..By invoking the word emergency, Celestina was able quickly to reach her own physician in San Francisco. He agreed to treat Phimie and to have her admitted to St. Mary's upon her arrival from Oregon.. "No. Charming," she disagreed. "There's a meaning to it. Everything has a meaning, dear." On October 15, Junior acquired a third Sklent painting: The Heart Is Home to Worms and Beetles, Ever Squirring, Ever Swarming, Version 3.. "Holding fast to the boy's right foot, Jacob observed that one elevator might descend safely but that if they took two, one or the other was certain to crash to the bottom of the shaft, considering the unreliability of all machinery made by man..While they waited for the room-service waiter to arrive, Tom got from Paul a detailed report of Enoch Cain's attack on the parsonage. He had heard most of it from friends in the state-police homicide division, which was assisting the Spruce Hills authorities. But Paul's account was more vivid. The ferocity of the assault convinced Tom that whatever the killer's twisted motives might be, Celestina and her mother-and not least of all Angel-were in danger as long as Cain roamed free. Perhaps as long as he lived..When he came to himself, sick and weak from the poison and with an aching skull, he was in a room with brick walls and bricked-up windows. The door had no bars and no visible lock. But when he tried to get to his feet he felt bonds of sorcery holding his body and mind, resilient, clinging, tightening as he moved. He could stand, but could not take a step towards the door. He could not even reach his hand out. It was a horrible sensation, as if his muscles were not his own. He sat down again and tried to hold still. The spellbonds around his chest kept him from breathing deeply, and his mind felt stifled too, as if his thoughts were crowded into a space too small for them.. "We want the scary one, 'specially if it has spiders, Pixie Lee said squeakily but defiantly..And though Barty was not shy, neither was he a show-off. He didn't seek praise for his accomplishments, and in fact, they were little known outside of his immediate family. His satisfaction came entirely from learning, exploring, growing..Agnes delighted in their conversations. Barty was far ahead of the language learning curve for his age, but he was still a child, and his observations were filled with innocence and charm. "You mean your cold is like in your nose but not in your feet?". Pity warmed the physician's ascetic face. "You loved your wife very much, didn't you?". He did not answer Hound's question..Dropped cartridges gleamed on the carpet. Stoop to snatch them up? No. That was asking for a skull-cracking blow..If he killed Bartholomew and got away clean, as he expected that he would, then he could subsequently return everything in the van to the apartment. He was just being prudent by planning for his future, because the future was, after all, the only place he lived.. "What wound? Junior wanted to ask, but he recognized bait when he heard it, and he did not bite..Angel, on the window seat, wore nothing but white. White sneakers and socks. White pants. White T-shirt. Two white bows in her hair..The Bright Beach Library was open until nine on Friday evening. Arriving an hour before closing, they returned the Heinlein novels that Barty had already read and checked out the three that he wanted. In a spirit of optimism, they borrowed a fourth, Podkayne of Mars..Wally-Dr. Walter Lipscomb, who delivered Angel and who became her godfather-never worried when the girl seemed to be developing too slowly, counseling that every child was an individual, with his or her particular learning pace. Wally's double specialty--obstetrics and pediatrics-gave him credibility, of course, but Celestina had worried, anyway..He had never expressed opposition to starting a family. She'd had no reason to fear telling him that she was carrying their child..On this occasion, however, he couldn't have focused on a book even if he'd had the strength to hold it. The fierce paroxysms that clenched his guts also destroyed his ability to concentrate.. "I've seen them," Tom assured her. "My dear, you've never smelled anything better than a field full of bacon vines..His conscience as a craftsman would not let him fault the carpentry of the ship in any way; but his conscience as a wizard told him he could put a hex on her, a curse woven right into her beams and hull. Surely that was using the secret art to a good end? For harm, yes, but only to harm the harmful. He did not talk to his teachers about it. If he was doing wrong, it was none of their fault and they would know nothing about it. He thought about it for a long time, working out how to do it, making the spell very carefully. It was the reversal of a finding charm: a losing charm, he called it to himself. The ship would float, and handle well, and steer, but she would never steer quite true..Casey and Tutti, her sister Skipper, and dreamboat Ken-and soon the girls had Barty enthusiastically involved in a make-believe world far different from the one in which Heinlein's teenage lead owned an extraordinary alien pet with eight legs, the temperament of a kitten, and an appetite for everything from grizzly bears to Buicks..One worrisome problem: Neddy might be found in the container before it had been hauled away, instead of at the landfill that preferably would serve as his next-to-last resting place. If his body was discovered here, it must be at a distance from any trash bin used by the gallery. The less likely the cops were to connect Neddy to Greenbaum's art-sausage factory, the less likely they also were to connect the murder to Junior.. "Well, it's true," he said, finally turning the key in the proper direction and firing up the engine..From these ominous spatters, several fibers bristled, having stuck to the pewter when the drizzle was still wet. They appeared to be human hairs..The longer they were required to lie low in fear, the more likely Celestina would be to cast caution aside and return to Pacific Heights, Tom knew her well enough to be sure that she was a fighter rather than a runner. Being in hiding frustrated her. Day by day, hour by hour, with no target date for resuming a normal life, she would quickly lose patience. Rubbed raw, her dignity and sense of justice would compel her to act-perhaps more out of emotion than out of reason..self-controlled as he would need to be in any interrogation conducted by this brush-cut, thick-necked toad..Glaring and red-faced, lowering his voice almost to a whisper, Neddy said, "I'm sorry, but you've got me all wrong. I'm not like Renee and you..As they rolled along the coast, Agnes began to read to Barty from Podkayne of Mars: " 'All my life I've wanted to go to Earth. Not to live, of course-just to see it. As everybody knows, Terra is a wonderful place to visit but not to live. Not truly suited to human habitation.. ". Agnes's contractions were getting more frequent and slightly more severe, so she said, "All right, but let me go tell Edom and Jacob that we're leaving.. ". This trick, however, was far more difficult than walking where the rain wasn't. Sustaining vision took both a mental and physical toll from him..Because, since childhood, Jacob had been drawn to stories and images of doom, to catastrophe on both the personal and the planetary scale-from theater fires to all-out nuclear war-he had a flamboyant imagination second to none and a colorful if peculiar intellectual life. For him, therefore, the most difficult part of learning card manipulation had been coping with the tedium of practice, but for years he had applied himself diligently, motivated by his love and admiration for his sister, Agnes..Tucking the covers around Angel, Celestina said, "Would you like Uncle Wally to be your daddy?" "That would be the best." "I think so, too." "I never had a daddy, you know." "Getting Wally was worth the wait, huh?" "Will we move in with Uncle Wally?" "That's the way it usually works." "Will Mrs. Orwall leave?" "All that stuff will need to be worked out." "If she leaves,

you'll have to make the cheese." The strand was inclined toward the lake. He closed the door and got out of the way as the Studebaker rolled forward, gathering speed. He was as solid as any boy. He was in the day but not in the rain. He was moving toward the back of the car. "I'm not saying there's anything wrong with it, you understand," Neddy whispered with a sort of fierce conciliation, "but I'm not gay, and I'm not interested in teaching you the piano or anything else. Besides, after the stories Renee told about you, I can't imagine why you think any friend of his ... hers would get near you. You need help. Renee is what she is, but she's not a bad person, she's generous and she's sweet. She doesn't deserve to be beaten, abused, and ... and all those horrible things you did. Excuse me." He tried to lean back as he dropped, with the hope that he would fall under her, providing cushion if they met with sidewalk instead of lawn. Reverend White's polished, somewhat theatrical, yet sincere voice rose out of the past to issue this threat in Junior's memory as he had issued it that night, from a tape recorder, while Junior had been dancing a sweaty horizontal boogie with Seraphim in her parsonage bedroom. She owned a public-relations firm specializing in artists, and over dinner she rhapsodized about the work of Jack Lientery. His current series of paintings- emaciated babies against backdrops of ripe fruit and other symbols of plenty- had critics swooning. scraps of night that have lingered long after dawn dart agitatedly in and out of the tree, from branch to branch. A sedan had come to a stop in the graveled driveway, over to the right of the house, almost out of view. As Junior watched, the headlights were doused. The engine shut off. The driver's door opened. A man got out of the car, a shadowy figure in the fearsome yellow moonlight. The dinner guest. Even someone of saintly habits and selfless behavior might be a monster in his heart, filled with unspeakable desires, which he might act upon only once or never. Thus far, there were only two unexpected developments, the first being his explosive vomiting. He hoped he would never have to endure another such episode. A flicker of complacency showed in Otters' tired, battered young face. "No," he said. "I don't think anybody can." The tenderness with which Grace acceded to Phimie's desire, at the expense of her own peace of mind, filled Celestina with emotion. She'd always admired and loved her mother to an extent that no words- or work of art- could adequately describe, but never more than now. Though she was only a week past her third birthday, Angel always selected her own clothes and carefully dressed herself. Usually she preferred monochromatic outfits, sometimes with a single accent color expressed only in a belt or a hat, or a scarf. When she mixed several colors, the initial impression that she gave was of chromatic chaos- but on second look, you began to see that these unlikely combinations were more harmonious than they had first seemed. Jacob cooked corn bread, cheese- and- parsley omelettes, and crisp home fries with a dash of onion salt. Junior thought he was alone, but just when he felt capable of summoning the energy to shift to a more comfortable position, he heard a man clear his throat. The phlegmy sound had come from beyond the. If the aftermath of his encounter with Vanadium had not been so messy, Junior might have paused for dinner before wrapping up his work here. The walk back from Quarry Lake had taken almost two hours, in part because he had ducked out of sight in the trees and brush each time that he heard traffic approaching. He was famished. Regardless of how well- prepared the food, however, ambience was a significant factor in the enjoyment of any meal, and bloodstained decor was not, in his view, conducive to fine dining. Atop the dead woman, Vanadium's leather ID holder ignited. The identification card would bum, but the badge was not likely to melt. The police would also identify the revolver. Thrusting the red rose at her again, insistently pressing it against her hand to distract her, Junior swung the Merlot, and just as Sinatra sang the word sugar with a bounce, the bottle smacked Victoria in the center of her forehead. Frankness and tough talk pleased her, because too many people dealt with her as though her spirit were as frail as her limbs. She laughed with delight- but still refused him. His precious wife had fallen from the tower and died only hours before this girl was born. This girl ... this vessel. Too rattled to want lunch at the St. Francis Hotel or anywhere else, Junior returned to his apartment. Tom didn't know what to make of this bit of information, so he said, "That's a lot." Junior gave the Raisinets to him, and Google left the theater with his candy and his cash. Suddenly, even in the heart of a great city, the alleyway seemed as lonely as an English moor, and not a smart place to seek asylum from a vengeful spirit. Casting aside all pretense of self- control, Junior sprinted for the next street, where the sight of multitudes, swarming in winter sunshine, filled him not with paranoia or even uneasiness, anymore, but with an unprecedented feeling of brotherhood. Fear of the unknown is a weakness, for it presumes dimensions to life beyond human control. Zedd teaches that nothing is beyond our control, that nature is just a mindlessly grinding machine with no more mysteries in it than we will find in applesauce. As the heavyset nurse retreated with the baby, Phimie's grip on her sister's hand relaxed, but then grew firm once more as her gaze also became more intense. "Love ... you." "Too bad. You might have used that to bargain with." Among those present before the caravan returned were a few who should have known better than to allow this madness. Tom Vanadium, Edom, Maria. They stared up at the boy, tense and solemn, and Agnes could only suppose that they, too, had arrived after the fact, with the boy already beyond easy recall. At last Maria answered Jacob's question in a murmur, making the f sign of the cross once more as she spoke. "Never saw four. Never even just I see three. But four ... is to be the devil himself." "It's that bad and worse," Grace said firmly. "Even if they catch him, you're going to live with the quiet fear that he might escape one day. As long as you know he can find you, then you're never going to be completely at peace. And if you love this city so much that you'll put Angel in jeopardy ... then who have you been listening to all these years, girl? Because it hasn't been me." When he reported for a physical and a reassessment of his draft classification, on Wednesday, December 15, he left the insert in his hitching shoe; however, he limped like old Walter Brennan, the actor, hitching around the ranch in The Real McCoys. She. Heretofore, Celestina hadn't given a thought to the gender of the baby, because, to her, it had been less a person than a thing. "I'll always know your face," he promised. "Even if you have to go away and you're gone a hundred years, I'll remember what you looked like, how you felt." rearview mirror was not hung with one of those tacky decorative deodorizers. The seats, regularly treated with leather soap, were softer and more supple than they had been when the car had shipped out of. Later, weak and shaken, as he was packing his suitcase, the urge overcame him again. He was astonished to discover that anything could be left in his intestinal tract. On the short return trip to the ophthahnologist, Agnes crazily considered driving past Chan's office building, cruising onward- ever onward- into the sparkling December night, not just back to Bright Beach, where the bad news would simply come by phone, but to places so far away that the diagnosis could never catch up to them, where the disease would remain unnamed and therefore would have no power over Barty. Junior considered slipping quietly around the house, peering in windows, to be sure she was alone, before approaching directly. If she saw him, however, his wonderful surprise would be spoiled. An SFPD patrol car swept past, its siren silent, the rack of emergency beacons flashing on its roof. "Sure they do," Barty said. "But I think Maria embroidered the birds just because they were pretty." Maintaining a brutal strangling pressure, Junior turned his head aside, to protect his eyes. He kneed

Neddy in the crotch, crunching the remaining fight out of him..Indeed, he would get through the rest of 1965 without resorting to another homicide. The nonfatal shooting in September would be regrettable, quite messy, painful-but necessary, and calculated to do as little damage as possible..As the unwanted change pinged against the concrete at his feet, Junior-snap, snap-saw the source of the next two rounds. They spat out of the vertical pay slot on a newspaper-vending machine; one hit his nose, and the other rang off his teeth..Into Barty's darkness came light that he had not sought. He saw his smiling Mary on his lap as she lowered her hands from his temples, saw the faces of his family, the table set with Christmas decorations and many candles flickering..This brilliant mouthful was not nature's work alone. With what Nolly must have spent to obtain this smile, some fortunate dentist had kept a mistress in jewelry through her most nubile years..If he didn't find the Rolex and get back to his car before the reception ended, he'd forfeit his best chance of following Celestina to Bartholomew..Across the room, the girl on the window seat showed no awareness of his arrival. She sat sideways to him in the niche, with her back against one wall, knees drawn up, a big sketch pad braced against her thighs, working intently with colored pencils..Tom Vanadium liked this man at once. Cop instinct told him that Damascus was honest and reliable. Priestly insight suggested even more impressive qualities..As mentally demanding and stressful as it was to maintain this borrowed sight, the harder thing was looking once more upon her face, after all these years of blindness, only to see her gaunt, so pale. The vital, lovely woman whose image he had guarded so vigilantly in memory would be nudged aside hereafter by this withered version..do further testing, of course, but not until he's been stabilized at least twelve hours. Personally, I don't think we'll find any physical cause. Most likely, this was psychological-acute nervous emesis, caused by severe anxiety, the shock of losing his wife, seeing her die.. "Yours is a harder job than mine," Lipscomb told Grace, dandling Angel as he spoke. "I have no doubt of that..Only madmen were capable of such butchery. Hopeless lunatics like Ed Gein, out there in Wisconsin, arrested just seven years ago, when Junior had been sixteen. Ed, the inspiration for Psycho, had constructed mobiles out of human noses and lips. He used human skin to make lampshades and to upholster furniture. His soup bowls had once been human skulls. He ate the hearts and selected other organs of his victims, wore a belt fashioned from nipples, and occasionally danced under the moon while masked by the scalp and face of a woman he had murdered..In Cain's bedroom, Tom Vanadium's hooded flashlight revealed a six-foot-high bookcase that held approximately a hundred volumes. The top shelf was empty, as was most of the second.. "Soon as Cain is out of sight, we yank up our tricky vending machines, then haul the real ones out of the van and bolt 'em down again. Slick, fast. People are still picking up quarters when we finish. And get this-they want to know where the camera is..This house was similar to the Kleftons'. Though stucco rather than clapboard, it had gone a long time without fresh paint. A crack in one of the front windows had been sealed with strapping tape..From childhood, Celestina was encouraged to be confident that life had meaning, and when she'd needed to share that belief with Dr. Lipscomb as he struggled to come to terms with his experience in the operating room, she'd done so without hesitation. Strangely, however, she herself was having difficulty absorbing these two small miracles..Then by ambulance to the hospital, whisked into surgery, and for a while, blessed unconsciousness..Down the stairs, through the ground floor, quickly, soundlessly, breath held at times, listening for the other's breathing, listening for the softest squeak of rubber-soled shoes, although the hard clack of cloven hoofs and a whiff of sulfur would not have been surprising. At last he went to the kitchen, full circle from the shiny quarter on the breakfast table to the quarter again. No Cain.. "Yes. In syrup form. It's a good item for your home medicine chest, in case your child ever swallows poison and you need to purge it from him quickly..Under other circumstances, Agnes might have blushed, but now her apparently irrational fear of too much life insurance had been vindicated..Looking up at the mirror above the sink, he saw reflected not the self-improved and fully realized man that he'd worked so hard to become, but the pale, round-eyed little boy who had hidden from his mother when she had been in the deepest and darkest end of one of her cocaine-assisted, amphetamine-spiced mood swings, before she traded cold reality for the warm coziness of the asylum. As if some whirlpool of time was spinning him backward into the hateful past, Junior felt his hard-won defenses being stripped away..On the third of June, he found another useless Bartholomew, and on Saturday, the twenty-fifth, two deeply disturbing events occurred. He switched on his kitchen radio only to discover that "Paperback Writer," yet another Beatles song, had climbed to the top of the charts, and he received a call from a ea woman..Blind he remained until an afternoon in May 1993, when at last the miracle occurred, and the meaning that Tom Vanadium had foreseen so long ago began to manifest.. "Guilt," said the detective. "If he killed her, wouldn't an overwhelming sense of guilt be as likely as anguish to cause acute nervous emesis?"
