Her husband was a fuller, and when he went out to his business, the trooper used to come to her and abide with her till the time of the fuller's return, when he would go away. On this wise they abode awhile, till one day the trooper said to his mistress, 'I mean to take me a house near unto thine and dig an underground passage from my house to thy house, and do thou say to thy husband, "My sister hath been absent with her husband and now they have returned from their travels; and I have made her take up her sojourn in my neighbourhood, so I may foregather with her at all times.
