He shrugged, almost apologetically. "I guess it got to be kind of a tradition... sort of handed down in the family. ". At that moment the emergency tone sounded simultaneously from both their communicators, and warning--bleeps and wails went up from places in the labyrinth all around. They looked at each other for a second. The noise died away as Colman fished his unit from his breast. "It might not want to die that easily," Lechat pointed out.
