King Maharion sought peace and never found it. While Erreth-Akbe was in Karego-At (which may have been a period of years), the

depredations of the dragons increased. The Inward Isles were troubled by refugees fleeing the western lands and by interruptions to shipping and trade, since the dragons had taken to setting fire to boats that went west of Hosk, and harried ships even in the Inmost Sea. All the wizards and armed men Maharion could command went out to fight the dragons, and he went with them himself four times; but swords and arrows were little use against armored, fire-spouting, flying enemies. Pain was "a plain of charcoal," and villages and towns in the west of Havnor had been burnt to the ground. The king's wizards had spell-caught and killed several dragons over the Pelnish Sea, which probably increased the dragons' ire. Just as Erreth-Akbe returned, the Great Dragon Orm flew to the City of Havnor and threatened the towers of the king's palace with fire.. "The Archmage of the world," she said. "In my cow barn. The traveler stood at the crossway and whistled back at the reeds.. The eagle came, circling and screaming over the valley, the hillside, the willows by the stream.. prison shut. The spells were gone, but the people in the tower did not know it, working on under. This harmony generally prevailed through the reign of Maharion. In the Dark Time, with no control over wizardly powers and widespread misuse of them, magic came into general disrepute.. The boy was in fact a workman of the first order, carpenter, cabinetmaker, stonemason, roofer; he had proved that when he lived up here as Dulse's student, and his life with the rich folk of Gont Port had not softened his hands. He brought the boards from Sixth's mill in Re Albi, driving Gammer's ox-team; he laid the floor and polished it the next day, while the old wizard was up at Bog Lake gathering simples. When Dulse came home there it was, shining like a dark lake itself. "Have to wash my feet every time I come in," he grumbled. He walked in gingerly. The wood was so smooth it seemed soft to the bare sole. "Satin," he said. "You didn't do all that in one day without a spell or two. A village hut with a palace floor. Well, it'll be a sight, come winter, to see the fire shine in that! Or do I have to get me a carpet now? A fleecyfell, on a golden warp?". She stood up, almost as tall as he, and as straight. She said nothing for a minute and then spoke. "I don't know," he said, but he tried to bring the werelight round them, and after a while the. from me?". your hair, mistress! Or paper, or books. Our masters in Orrimy are seeking such things, if you had. He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it.. better, perhaps, had people ceased to do it. . . without artificial means".. looked at me, and reddened terribly.. "Or twice?". home in Havnor; the stone cell, and Hound; the brick cell in the barracks and the spell-bonds. "What can I give you?" she asked.. Day by day, as they talked in the old stableyard of Iria, where they had fallen into the habit of meeting, she asked him and he told her more, though reluctantly, always partially; he shielded his Masters, she thought, trying to defend the bright image of Roke, until one day he gave in to her insistence and spoke freely at last.. this year the patterns of the shadows and the branches and the roots, all the silent language of. Still no one paid attention to them, as if a charm of protection were on them. They walked down. "But you can't force him to drink," I continued patiently.. was nearly inaudible, a rough whisper.. The girl motioned them to come in. Crow chose to wait outside. The room was high and long, with traces of former elegance, but very old and very poor. Healers' paraphernalia and drying herbs were everywhere, though ranged in some order. Near the fine stone fireplace, where a tiny wisp of sweet herbs burned, was a bedstead. The woman in it was so wasted that in the dim light she seemed nothing but bone and shadow. As Tern came close she tried to sit up and to speak. Her daughter raised her head on the pillow, and when Tern was very near he could hear her: "Wizard," she said. "Not by chance..". Nobody would touch him. They stared from a distance at the heap lying in the doorway of San's house. San's wife wept aloud up and down the street. "Bad cess! Bad cess!" she cried.
